March 15, 2022

Dear Parents,

With deep regret and a heavy heart, we inform you about a recent loss to our school community. On March 14, 2022, a 4th-grade student Mathew Nichols passed away after being hospitalized over the weekend. This loss will raise many emotions for our entire school, especially our students.

Our school and the Trumbull County Educational Service Center have a Crisis Intervention Team made up of professionals trained to help with the needs of students, parents, and school personnel at difficult times such as this. At Lordstown Local Schools, we will have counselors available for any student who needs or wants help surrounding this loss.

We are deeply saddened by the loss to our school community and will make every effort to help you and your child, as needed. At this time, please keep Mathew and his family in your thoughts and prayers.

Sincerely,

GREGORY T. BONAMASE
